

STATEMENT OF PURPOSE

RS20812

This proposal amends existing law relating to the service of orders and notices of the director of the Department of Insurance to clarify the methods by which service of orders and notices may be made and when said service is complete, and to provide for electronic service where a party has appeared or electronic service has been agreed to by parties in contested cases. This proposal brings the methods of service in conformity with recent revisions to Rule 55 of the Idaho Rules of Administrative Procedure of the Attorney General.

FISCAL NOTE

None.
